Product Catalogue of Etikoppaka Toys

Lacquer ware toys Or Etikoppaka toys.

One of the attractions of the sleepy hamlet of Etikoppaka, near Vishakhapatnam, is the presence of special wooden toys/articles, not available elsewhere.

These wooden toys stand out anywhere, due to the usage of naturally occurring, bright coloured organic pigments/dyes and by the shine imparted by the usage of transparent lacquer resin.

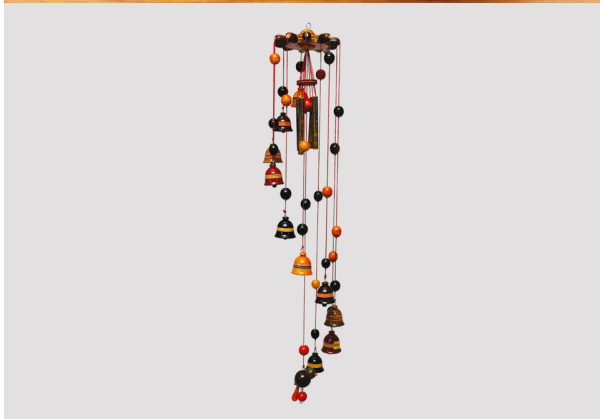

The usage of wood, organic pigments /lac from nature, to make these toys renders the toys non-toxic & waterproof. The rustic charm of a village is beautifully captured in these toys, transporting us at times, into the villages of India. Apart from the obvious eco-friendly benefit, the toys promote local artisans to further the Make in India narrative.

These toys have undergone a series of design adaptations. Toys are changing with time and market demands. By the amazing craftsmanship of our artisans articles like toys, decorative pieces, cases, and containers are transformed into royal pieces of art with wood. Dive through our collection:
